

## CONNECT

Being away from home and working hard can sometimes be a challenge. We are here to connect with you and help you connect with others.

## REFLECT

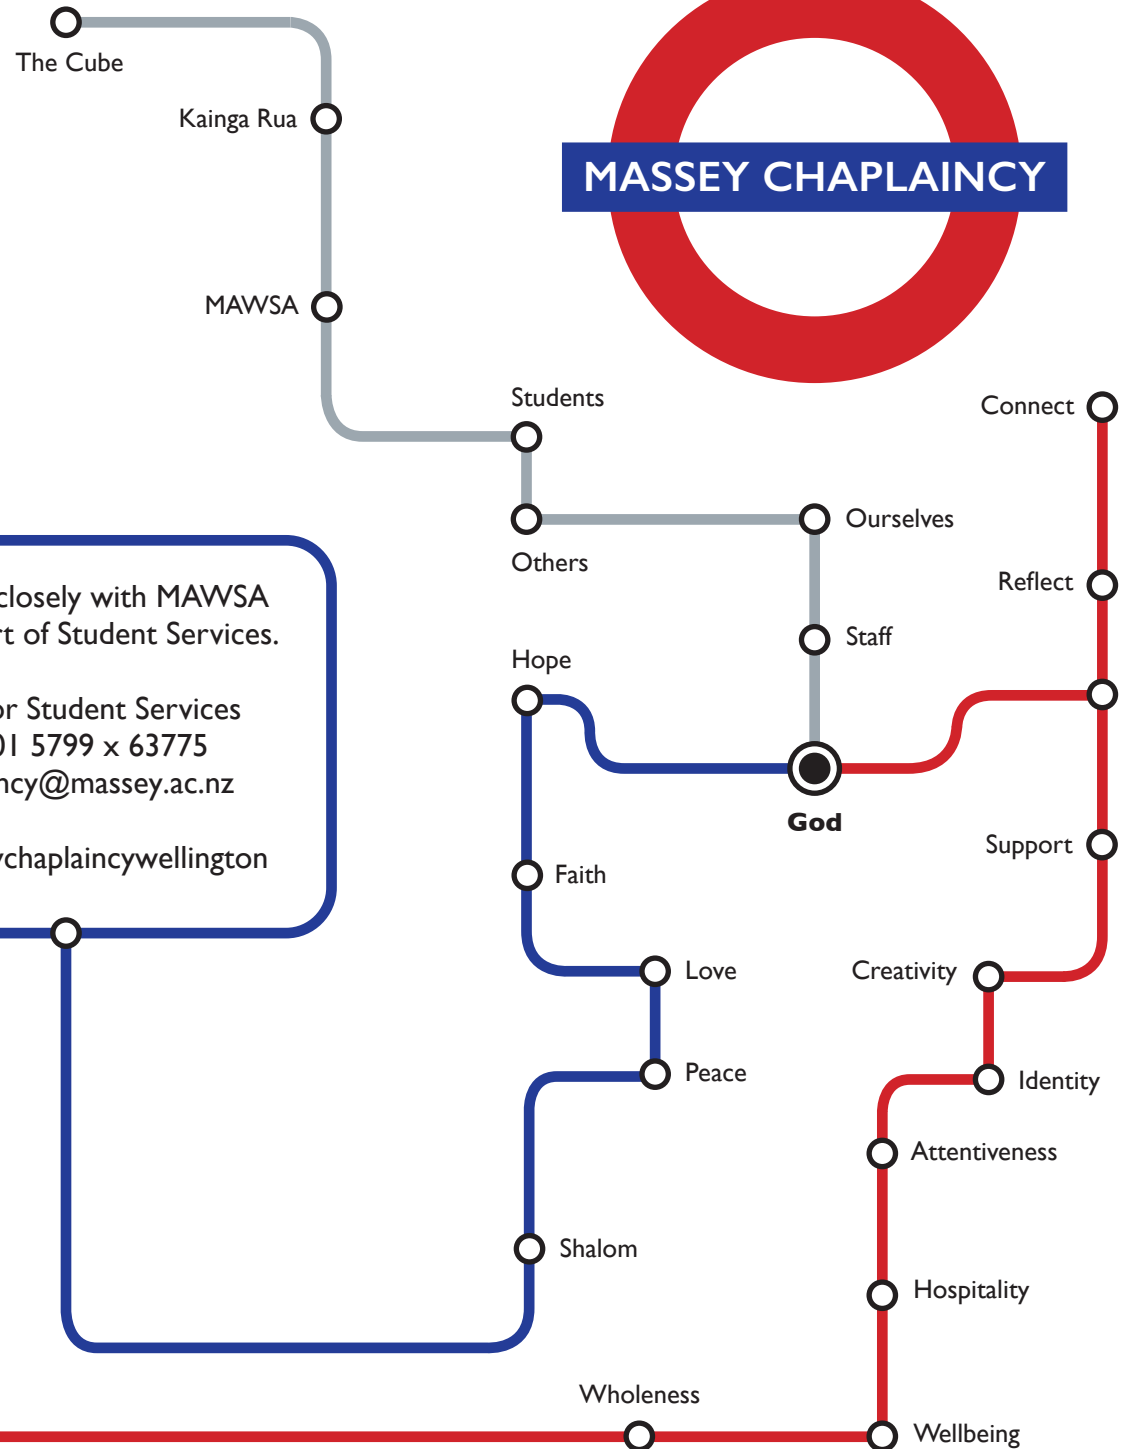

Student life gets pretty busy these days with deadlines, exams and projects. Sometimes it's really good to be able to take time out and take life in.

## SUPPORT

Sometimes 'stuff' happens that we may not have bargained for. The chaplaincy is there for you in such times.

## HOSPITALITY

Our not-for-profit cafe Koha Coffee offers the best filter coffee available on campus to start the day with. Come and relax with other like-minded students at the Co-Lab cafe. Coffee is FREE and a koha gold coin donation is welcome. If you'd like to join our team of friendly volunteers please contact Mary at [m.l.hutchinson@massey.ac.nz](mailto:m.l.hutchinson@massey.ac.nz)

We work closely with MAWSA and are part of Student Services.

## WHO WE ARE

### The Chaplaincy

We recognise the world we live in is diverse and each of us is spiritually, emotionally and physically unique. Sometimes there are questions or concerns a doctor or anyone else may not be able to address. The chaplaincy is on campus to listen to those concerns. We are here to come alongside and encourage students at this stage of life, as well as offering spiritual support for the staff at Massey.

### The Creative Campus

Massey Wellington is known as 'The Creative Campus'. The chaplaincy recognise the significance of the creative spirit within us that seeks to make sense of the world around us.

### 'Imago Dei'

Or 'Image of God'. The chaplaincy understand that we are all created in the image of God. Therefore no matter what our faith, gender, race, income, sexual orientation or role on this earth is, all of us reflect an image or imprint of God.
